Speaker

### Emilio Galea

Global Medical Education & Clinical Expert

Emilio Galea has worked in various positions in healthcare since 1985, both in Malta and the UAE, and worked with patients with wounds since then. His interest in wound management led to obtaining an MSc in Skin Integrity Skills & Treatment from the University of Hertfordshire (UK).

Emilio had published more than 20 publications, including systematic reviews published on International Journals. He had also won the Speaker of The Year Award in Continuing Professional Development Program by the Health Authority of Abu Dhabi.
